

July 2010

Dear Friend,

“Fear thou not; for I am with thee: be not dismayed, for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.” Isaiah 41:10

As a loving Father, who takes care of his children, He is always there to guide, point in the right direction, encourage, and most of all love. We praise the Lord for all His blessings poured out on Bible Teaching Ministries and we thank Him, our Lord and Savior, for what He did on the Cross.

We are rejoicing in the arrival of the book **Beyond Believing** by Paris Reidhead. This has been out print since 1976. Bible Teaching Ministries printed 2000 copies of this wonderful, insightful book and it is now available on-line, through our website or by writing to us.

Our excitement continues with the news that Rick found a job working with Sears.

After being laid-off and seeking a job for a year and two months, God opened a door to work at Sears as an Appliance Repair Technician. They called during the second big snow storm in February here; he was shoveling about three feet of snow from his drive at the time. God not only provided a job, He also provided transportation through a company van, tools and uniforms. Further proof that God’s hand was in all this came from the man responsible for mentoring Rick who turned out to be a well grounded man of God; Many of the other technicians are Christians as well.

We receive many letters from around the world.

Rebekah writes from South Carolina: Well, I am speechless.....Thank you so much!!! I do have a story to tell about how I came across "Ten Shekels and a Shirt". I want to share it with you soon. Thank you again for your very generous and kind consideration.

Pastor David, from Pennsylvania writes: I am a pastor of a very small conservative Wesleyan Methodist Church in Pennsylvania. As a young Christian back in the early 1990's, the Lord used Brother Reidhead's Ten Shekels message to really establish me in the "true Gospel". Praise God! I rejoiced to find this web page. Please send me 5 copies of "Finding the Reality of God" and 2 copies of "Evidences of Eternal Life." I will put them in needy hands.

Our Lord is worthy of praise as this letter illustrates:

Bob writes from Richmond, Virginia: About 20 years ago I heard Paris Reidhead in a Christian & Missionary Alliance Church in Richmond. He quotes Isaiah 55:11,

“So shall my words be that goeth forth out
Of my mouth: it shall not return unto me void,
but it shall accomplish that which I please,
and it shall prosper in the thing whereto I send it !”

To God be the GLORY !!! and may our Blessed Lord – mightily bless you and all those you love and all your efforts for HIS GLORY !!!

The Lord provides abundantly to this ministry, through our website master, wonderful letters, and generous contributors. Recently, we had to purchase a new tape deck to continue digitizing the old taped sermons into a more up to date format. This enables Rick to make CDs of the messages, for eventual distribution. The tally so far is 148 Paris Reidhead sermons and 3 other speakers from the old tapes have been converted to digital format. Those sermons were sent to a young man named, Jason, who is cleaning the raw files and he will forward those to Greg at Sermon Index, to be put out on the Internet.

"Ten Shekels and a Shirt" has been translated into six languages, and additional languages are planned. These translations are available on our Website. And Paris Reidhead's personal testimony **That I May Know Him**, written in 1953, was recently put on the Website, and available for download.

The CD duplicator is having a problem when coping from CD to CD. When we make copies from the hard drive of the duplicator to CD there are no problems. Keep us in prayer about these goals - to purchase a new CD duplicator especially with new sermons being added to BTMI titles and to update our computers (the optical drives on one have failed already) here at BTMI.

If you have noticed a new look about our prayer letter, our printer, Schaffner Printing, Inc., went out of business this spring. We would ask for prayers for Eddie, who is a believer and is relying on the Lord for income now. We believe it is time as well to begin E-mailing the prayer letter to those of you who would be interesting in receiving it this way. Our E-mail address is btmiwebpage@dmv.com.

We have been encouraged by the different groups that our tithe goes to each month. Our list of groups continues to grow with the addition of:

- 1.) Youth for Christ in Missoula, who have a heart for Native Americans
- 2.) Invisible People, one man's quest to give a voice to the homeless here in America
- 3.) We have continued to give to Grace Ministries, a Thailand mission for at risk for sexual exploitation to girls and boys in that country
- 4.) The Whole Truth Ministry, our website master's ministry whose heart burden is that those who profess to be Christians would see that the Church was never meant to be a social organization, but rather truly the Body of Christ.
- 5.) Mission Aviation Fellowship who continues their Haiti's earthquake relief efforts
- 6.) Songs of Joy, a ministry caring for the abandoned, neglected and abused children in Guatemala.

In closing, as a word of encouragement,

*"But they that wait upon the LORD shall renew their strength;
they shall mount up with wings as eagles;
they shall run, and not be weary;
and they shall walk, and not faint." (Isaiah 40:31)*

Yours in His service,

Marjorie N. Reidhead
